

IMAGE MIRROR SYSTEM

BAL/018/MIR

Price on application

Ideal for gymnasiums, dance studios and aerobic rooms, the Image "18" Mirror, complete with its high impact cushion, is the most cost effective safety mirror system available in the UK today. Image mirrors meet BS 6206 Class A Impact Performance requirements, ANSI 297.1 1984 Human Body Impact standards as well as BS 476 Class O Both Sides Fire Performance requirements. Its components are formed of 6mm silver, class "A" safety backing manufactured from a unique cross linked acrylic, with adhesion that increases with age. 12mm thick closed cell fire retardant cushioner, neutral cure mirror adhesive for secondary support. Individual mirrors are finished with polished aluminium "J" carrier. Image mirror panels can be fitted directly onto brick, block or plasterboard walls
