Independently tested to BS EN1270

### 2 SINGLE STEM ROOF MOUNTED RETRACTABLE BASKETBALL GOAL

Price on application

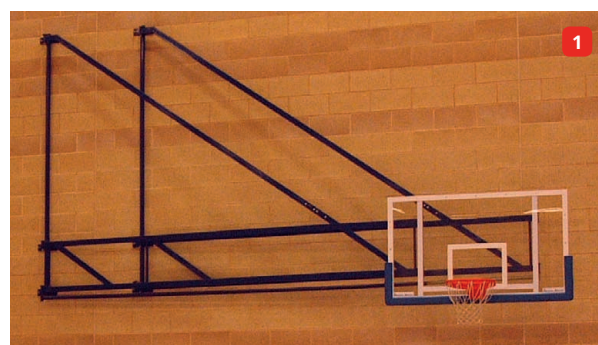

Independently tested to BS EN1270

## 1 WALL MOUNTED MATCHPLAY BASKETBALL GOALS

### Price on application

These hinged wall mounted basketball goals are manufactured to the highest specification, simple to operate and fitted with a heavy duty self locking diagonal brace to ensure maximum rigidity of the basketball boards and excellent rebound quality. Basketball goals can be installed to close either to the left or right and can be projected up to 4.2m from the wall or to suit the sports hall, leisure centre or gymnasium size projecting over the basketball court by the correct distance. Complete with standard heavy duty rings and nylon nets

### Options include:

- ✓ Timber basketball boards 1050 x 1800mm
- ✓ Cast clear acrylic basketball boards and frame 1050 x 1800mm
- ✓ American style glass backboards 42" x 72" complete with aluminium frame
- ✓ Pressure release rings, including nets – FIBA norms
- ✓ Regulation basketball rings, including nets
- ✓ Basketball backboard protection padding

## 2 UPWARD FOLDING ELECTRICALLY OPERATED MATCHPLAY BASKETBALL GOALS

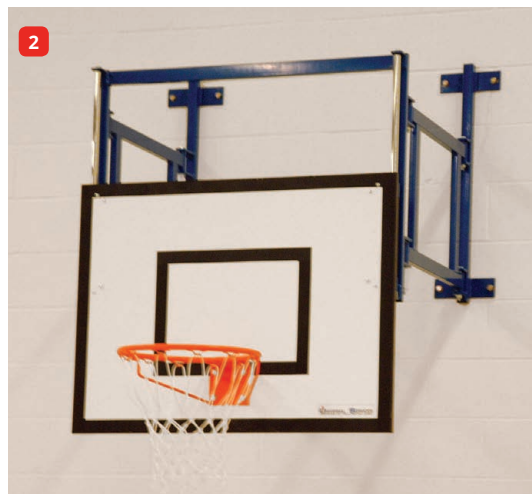

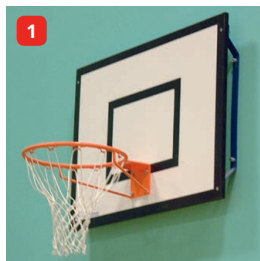

### Price on application

These upward folding basketball goals are ideal for where standard roof or hinged wall mounted goals cannot be fitted. Manufactured to the highest standard in our Essex factory these goals will give many years of excellent service as you would expect from any Universal Services product. These electrically operated goals are fitted with a free fall safety device as standard.

## 1 WALL MOUNTED PRACTICE BASKETBALL GOALS

Price on application

These wall mounted basketball goals are manufactured to the same high specification as our wall hinged match play basketball goals. Available as wall hinged to fold back against wall when not in use often used to aid clearing indoor cricket nets, fixed projection or flat fixed models - suitable for cross court basketball in a sports hall or gymnasium in any school or leisure centre

## 2 HEIGHT ADJUSTABLE BASKETBALL GOALS

Price on application

This adjustable height basketball goal is ideal in both educational and sports hall environments to suit all ages and abilities of players. Basketball goals adjust in height and self lock in seconds at the correct height for both mini and senior basketball. Available as wall hinged, fixed projection and flat fixed basketball goals
