

CHANGING ROOM EQUIPMENT • LOCKERS

Versatile, hard-wearing and reliable, our lockers provide quality, choice and security as standard. But don't just take our word for it - our lockers meet the testing requirements of the British Standard for Clothes Lockers BS 4680: 1996 'Standard Duty'

In frame locking

Improved Security

- ✓ All standard steel lockers now include improved security features

In-frame locking

- ✓ Re-designed cam on standard deadlocks
- ✓ Locks through door and frame
- ✓ Hook cam engages with tapered slot in frame for positive locking

Anti-theft shelf

Anti-theft shelf

- ✓ Twin folded shelf extension to front
- ✓ Prevents access to adjacent compartments
- ✓ Additional visual deterrent to opportunist thief Lockers retain all the other existing features which have made them the choice for

schools and colleges as well as general workplace personal storage

- ✓ Biocote® anti-microbial protected paint finish
- ✓ Key operated deadlock supplied with 2 keys as standard. Optional hasp and staple available for use with padlock (not supplied)
- ✓ Box-formed doors with welded corners and full length vertical stiffener
- ✓ Hinges welded to doors and riveted to frame for easy door replacement

Single door lockers fitted with hat stand and double coat hook. Rail as standard on 450mm deep lockers. Two door lockers fitted with double coat hook in each compartment
