2 COUNTY CRICKET NET SYSTEM **BUY NOW**

This is a professional system which can easily be dismantled once the cricket season is over, ideal where permanent sockets are not an option. Bays can be made up of 6m sections in length, with bays designed to be 4m wide. 50mm square mesh netting complete with interval sleeves which can be easily installed onto uprights. A headline pack for the roof net must be purchased separately, the roof headline rope is 44m long and will cover 1 or 2 bays. Turf screw ground sockets are included (the insertion tool must be ordered separately). Uprights designed to be installed at 6m intervals and made from 50mm diameter by 3.2mm thick aluminium and polyester powder coated black, they're 2.7m high out of the ground. Each 4m back net (1 required per bay) has full length hook and loop end panels allowing easy attachment to the back uprights

1 INDOOR/OUTDOOR CRICKET MATS [BUY NOW](#)

A CRK/009/MAT*

CRK/010/MAT* 10m length mat

Indoor roll down cricket matting manufactured from green nylon carpet with anti-slip latex base, mat is 2m wide, can be supplied in any length from 1 - 30m. This is the lightest cricket mat we do and is ideal for school use or where manual handling may be an issue

B CRK/005/MAT [BUY NOW](#)

Tried and tested the "V" mat is a roll up/roll out cricket surface suitable for use on any level surface both indoor and out. UV stabilised green needle punched polypropylene surface provides excellent grip and wear and also allows the ball to grip and turn giving encouragement to spin bowlers. Supplied 2m wide in lengths to suit

2 FLICX ARTIFICIAL CRICKET SURFACE

Now manufactured in the UK the updated range of artificial surfaces are made from the improved 2G material which gives improved ball bounce, better seam and spin performance and gives a reduction in the slipperiness when wet. All pitches are 20.12 x 1.8m

A MATCH PITCH [BUY NOW](#)

CRK1096

The all green pitch is most suitable for game play achieving a consistent bounce on a wide range of surfaces. Just roll it out and play!

B EAGLE-EYED PITCH [BUY NOW](#)

CRK1097

This new pitch imitates the Hawk eye referral system in top international cricket with different coloured tiles illustrating full length, good length and short length bowls to aid training and add an element of fun. It enhances decision making in stroke play

C SKILLS PITCH [BUY NOW](#)

CRK1098

This new pitch is a perfect coaching aid for young players in schools and clubs. Bowling and batting targets will help your players achieve a consistent line and length. Can be used with both hard and soft balls when rolled out on any playing surface
