

1 FUSEBALL TABLE [BUY NOW](#)

GAM/004/FUS*

This is a classic design football table which is extremely strong with excellent stability and playability. Suitable for home use, community centres, clubs, schools and institutions. The playing size is 144cm long x 110cm wide x 88cm high. The players are red and blue in unbreakable plastic moulded onto the bars. Manufactured in grey oak and comes complete with 10 standard white balls. This is a freeplay table

2 GIANT ROLLERBALL [BUY NOW](#)

GAM/001/ROL

Giant Roll-A-Ball is a great, simple game which is good to help children's hand to eye coordination. Can you roll the wooden balls through the numbered holes to score the most points? Complete with a thick wooden fascia board with different numbered scoring holes, a wooden ball catcher and three solid wooden balls (size approx. 80cm x 16cm or 31.5" x 6")

3 GIANT TUMBLE TOWER [BUY NOW](#)

GAM/001/TUM

Fully developed for outdoor use, this set builds a tower over 4' tall. Complete with canvas carry bag. Handcrafted with New Zealand pine from sustainable sources. Block size 210 x 47 x 40mm

4 GIANT DOMINOES [BUY NOW](#)

GAM/002/DOM

28 oversized machine cut dominoes. The wooden tiles themselves are machine finished and the dots are applied in an automated process

5 CROQUET SET [BUY NOW](#)
