## 1 SOCKETED STEEL GOLF ENCLOSURES

The ideal practice cage for all golf clubs, manufactured from 38mm diameter x 1.6mm galvanised steel uprights and topods. Complete with tube clamps, 460mm deep steel sockets fitted with stabilising base plates. For safety these bays have been designed so that the net is suspended on the inside of the frame to prevent ball rebound. Steel enclosures may not be suitable for exposed and windy locations. Available as single or double bays, however triple or larger bays can be quoted on request

<b>GLF/002/ENC*</b>	Single bay frame 3m x 3m x 3m	<b>£584.91 each</b>
<b>GLF/003/ENC*</b>	Double bay frame 6.1m x 3m x 3m	<b>£999.66 each</b>
<b>GLF/004/ENC*</b>	Cage nets complete with integral sewn in curtains (2 nets required for double bay)	<b>£443.51 each</b>

Triple Bay Golf Enclosure

## 2 FREESTANDING GOLF ENCLOSURE

**GLF/005/ENC\*** **£613.10 each**

Freestanding heavy duty single bay golf cage 3m x 3m x 3m made from 33.7mm powder coated steel. Joins together using the kee-klamp joints and grub screws (provided). Complete with golf impact netting and releasable cable ties. Also includes golf curtain net to help prolong the lifespan of the cage net

**GLF/006/ENC\*** **£63.89 each**

Additional price to upgrade the above golf net curtain to archery net curtain

## 3 PEG DOWN PRACTICE NET

**GLF/007/ENC\*** **£365.72 each**

Golf enclosure 3m x 3m x 3m with 4 fitted wooden poles, supplied with guy ropes, runners and pegs, complete with golf netting

**GLF/008/ENC\*** **£35.39 each**

Additional price for a golf curtain net to fit the above to help prolong the lifespan of the net
