**B PST1001\***

**£68.54 each**

Counter balance weight, 17kg handbag style weight complete with 3 link galvanised chain, carabine clip and "U" type bracket

## 6 INTEGRAL WEIGHTED HOCKEY GOAL

New and improved version of the integral weighted hockey goal as used at London 2012. The goal is 3.66m x 2.14m x 1.3m internal runback, the uprights and crossbar are powder coated white and are made from 75mm x 50mm reinforced aluminium complete with an extra heavy duty 7mm thick reinforced front wall to prevent ball damage. The net supports and backboards are polyester powder coated blue. The specially designed 50.8mm diameter back tubes allow the net to hang freely to meet International specifications and eliminate ball rebound. The back bar consists of a single weighted tube with two cellular wheels allowing for easy manoeuvrability. The integral net retaining system holds the net firmly in place without the use of net clips. The 460mm high reinforced aluminium back panels have external noise absorbing carpet on all sides

**HKY1013\*** Integral weighted hockey goal **£3,555.42 pair**

**HKY1014\*** Net for integral weighted hockey goal **£217.24 pair**

Conforms to BSEN 750

Custom colours and branding is available

## 1 HEAVY DUTY ALUMINIUM HOCKEY GOALS

HKY1003\*

£2,389.22 pair

An excellent option specifically suited to both water and sand based synthetic surfaces. The goals can be easily moved using our cellular rubber wheel kit preventing damage to the surface. Regulation size 3.66m wide x 2.14m high with a 1.22m runback, manufactured from 50.8mm x 65mm x 2.5mm thick reinforced aluminium, uprights, crossbar and side frames all polyester powder coated white, zinc plated corner joints made from 8mm thick steel plate, back supports and top backbar manufactured from 32mm diameter x 2.6mm thick aluminium, 460mm high reinforced aluminium backboard panels with green noise-absorbing carpet on all inside faces, side frames complete with fully welded back tubes and lifting handles for added strength, stainless steel bolts throughout, uprights and crossbars feature stainless steel retaining rods to ensure net is held firmly in position

A HKY1004\*

£323.64 set

Cellular rubber puncture proof wheels for aluminium goals, supplied as a set of 4

## 2 FOLDING HOCKEY GOALS

HKY1010\*

£1,473.87 pair

Regulation size 3.66m x 2.14m high, the crossbars and uprights are made from 50mm square, 2.0mm thick steel. Retaining rod net fixing. Complete with 457mm x 18mm thick regulation size backboards. Heavy duty hinged side frame and brace. Robust wheel assembly has an extended handle for ease of use. Large wheels ensure goals can be transported across grass fields by two adults

## 3 OUTDOOR HOCKEY GOAL NETS

(Suitable for all outdoor hockey goals apart from the integral weighted goals)

HKY1006\*

£91.30 pair

Outdoor hockey goal nets, championship quality, 2mm diameter black twine. Regulation size 3.7 x 2.1m (12' x 7') square mesh net

HKY1007\* International standard 3mm thick twine green nets £172.24 pair

## 4 HOCKEY TARGET GOAL

HKY1017\*

£238.77 each

900mm x 600mm target goal which comes complete with a blue 3mm braided net. The fully welded frame is constructed from 65mm x 50mm aluminium section powder coated white. The net supports and back bar are 31.8mm galvanised steel, powder coated blue. The net supports are folding and the back bar is detachable

## 1 MINI TARGET GOAL

FBL1143\*

£413.64 each

Lightweight, portable mini training goal which is made from 65mm x 50mm aluminium which is powder coated white and comes complete with a 3mm braided polyethylene net and synthetic net clips (net colour may vary). 8' x 2' (2.44 x 0.6m)

## 2 HOCKEY BACKBOARD PROTECTION PADS

HKY1015\*

£689.64 set

Designed as a board protection pad for added protection against damage the goal can sustain during training sessions, hence improving the overall lifespan of the goal. Manufactured from PVC covered foam and split into 4 transportable sections. Each pad has a hook and loop backing for attaching to the carpet on aluminium hockey goals (hook and loop straps will be required to be used for goals with wood or PVC boards), one set will provide protection for two goals

## 3 ACCESSORIES

## 4 TCHOUKBALL FRAME

TCH/001/FRM

£255.67 each

The game of Tchoukball is a non-contact, indoor or outdoor game played extensively in Europe. The game is similar to handball but the goals are replaced by framed sprung net, against which the ball is thrown. A point is scored when the opposing team is unable to prevent the rebounding ball from touching the floor. Tchoukball is an ideal sports hall game

Adjustable steel, zinc plated frame 1000mm x 1000mm fitted with anti-slip floorguards. Strong reaction nets 680mm x 680mm. Frame angled at 55°

## 5 TCHOUKBALLS

TCH/001/BAL Official size 3

£13.42 each

TCH/002/BAL Ladies/junior size 2

£13.42 each
