## 3 STANDARD RUGBY SCRUM MACHINE

**RUG1045\*** £5,925.47 each

The unique scrum pads of this machine accurately simulate the opposition front row and is designed for coaches and players at all levels. It has a built-in foldaway steering tiller with a positive braking system conveniently located on the side of the scrum machine at the coaching position, an anchor spike is fitted for exceptional ground condition. The initial scrum pad heights are adjusted by winding handles, and has three width settings to suit all players. This machine encourages correct body positions and reduces the risk of training injuries

## 4 KIWI STYLE SCRUM SLED

This sled has an ultra low profile which is favoured by many international rugby coaches. The compact, all galvanized steel frame affords maximum durability and easy transport, the scrum-pads remove easily for safe storage. The sled is complete with bench seating and a convenient hand rail, a clear non-slip floor area for optimum safety of "ballast" crew and a flat base for more realistic response to "straight-ahead shove or wheel"

- RUG1035\*** Senior type for ages 16 to adult £2,250.18 each
- RUG1036\*** Junior type for ages 12 to 18 £2,250.18 each
