

Softplay shapes provide fun and excitement for children during the Early Learning stage of their education. The many shapes and colours available offer variety to their PE training and give the opportunity to practice motor skills like balancing, crawling, rolling, striding over and jumping whilst enjoying their play. Our range of brightly coloured shapes are made from combustion modified high resilient foam which conforms to BS 5852 Part 2 Source 5 and are covered with PVC coated nylon, flame retardant to BS 5438

## 1 MOBILE SOFT PLAY UNIT
