

# TEAM SHELTERS

## 1 ALUMINIUM TEAM SHELTERS

1.9m high front x 1.72m high rear x 0.9m deep, made from 50 x 50mm and 75 x 25mm aluminium, the frame is polyester powder coated white with 10mm thick multi-wall polycarbonate top and back panels and 3mm shatter proof polycarbonate sides. The aluminium flashing provides a neat finish and it comes complete with hardwearing PVC bench seats. Freestanding aluminium team shelters must be anchored at all times and we recommend the use of ground anchors. All team shelters require self-assembly
