- ✓ These posts conform to BSEN1271

## 7 POST PROTECTION PADDING

VBL/001/PAD

£218.21 pair

NB: Only suitable for Universal Services National and fully socketed International posts

## 1 TELESCOPIC SOCKETED VOLLEYBALL POSTS

VBL/004/INT

£1,989.95 pair

Made of aluminium alloy, main post (oval 120mm x 100mm) is made of special section with high bending strength. The telescope post has a diameter of 90mm allowing for height adjustment. The height of the net and it's tightening is controlled by turning the handle of the gear placed inside the post. Thanks to the compact construction there are no protruding elements and these posts offer easy control of the net from 2m up to 2.55m. The tightening mechanism meets the class A standard of EN 1271:1198 as well as FIVB standards

These posts conform to BSEN 1271 Type 2

## 2 POST PROTECTION PADDING

VBL/006/PAD

£248.21 pair

Upright post protection padding for the above telescopic socketed posts

## 3 VOLLEYBALL NETS

VBL/003/NET

Matchplay BVF approved, 11.56m head line wire

£115.07 each

VBL/004/ANT

Antennae for net

£42.04 each

## 4 UMPIRE STAND FOR TELESCOPIC POSTS

VBL/005/UMP

£557.49 each

Manufactured from powder coated aluminium. This stand has smooth height control of the platform, a flexible back rest, non-slip feet and transportation wheels. The stand is attached to the volleyball posts with fastening tapes. It conforms to the requirements of EN 1271

## 5 CLUB VOLLEYBALL POSTS

VBL/001/CLB

£453.89 pair

Designed for Sports Centres and schools alike, these budget priced posts offer the following features:

- ✓ Lightweight aluminium uprights
- ✓ Rapid net height adjustment without removal of the net
- ✓ Adjustment below the normal range to facilitate training and badminton
- ✓ Powder coated durable finish
- ✓ Wheels fitted as standard
- ✓ Requires two floor plugs per pair

VBL/002/CLB

£503.57 pair

As above club volleyball posts but with two floor fixings per post for added security

## 4 SPORTS NET WALL SLIDERS

**SOP/001/SET**

**£667.61 each**

Set of sports net wall sliders and centre prop post complete with two pads. These wall sliders are ideal for halls where standard floor fixed posts cannot be used and when used in conjunction with the centre prop post are ideal for a long sports net which spans the hall. The uprights are fully removable when not in use and slot into a floor plate and wall plate when in operation. The sliders and tensioner allows for the net to be adjusted in height for mens, womens and schools height practice volleyball, badminton, short tennis and sitting volleyball making this a very versatile piece of equipment, as supplied to Volleyball England and the Youth Sports Trust Change for Life Programme

Complete with a 50mm mesh net with Kevlar headline, 200mm deep to suit hall lengths up to 33m

**Note:** Please provide length of hall when ordering and ensure wall is capable of taking load

## 5 WALL MOUNTED CLUB VOLLEYBALL POST

**VBL/001/WAL**

**£450.03 pair**

Wall mounted volleyball posts, ideal for school sports halls or gymnasiums where standard floor fixings can not be used

Lightweight aluminium uprights, fully adjustable for men's, women's and schools volleyball and also adjusts below the normal range to facilitate training and badminton

Net tensioned by means of lever tensioning device. Comes complete with top wall brackets and floor plates that need to be cut flush into floor. These enable posts to be easily removed and stored in a safe location leaving walls free from obstruction. Consideration should be given to whether walls can take loads

Please contact sales department for installation costs

## 6 POST PROTECTION PADDING

**VBL/004/PAD**

**£178.72 pair**

Upright post protection padding suitable for Universal Services club volleyball posts only. See page 169 for picture

## 1 DOUBLE SIDED VOLLEYBALL POST

VBL/001/DUB

£438.18 each

Double sided volleyball post manufactured from lightweight aluminium, powdercoated blue. Net tensioned by means of lever tensioning device. This post enables volleyball to be played the whole length of a hall combined with the above wall mounted or our club volleyball posts. Requires 2 floor plugs per post to secure (see below for details) – please contact our sales department for installation costs

Standard Floor Plug    Semi-Sprung Floor Plug

## 2 GAMES POST FLOOR PLUGS

Floor plugs can be fitted to virtually any type of floor with concrete sub-base. To ensure accuracy and no floor damage, sockets are expertly installed after the finished floor is laid. Both standard and semi-sprung plugs are manufactured from 20mm diameter stainless steel and fitted with spring return dust caps and the telescopic type plug is designed to be used in conjunction with floor bushings or access panels and retract below the surface when not in use

PST/001/PLG M12 standard floor

£41.29 each

PST/002/PLG M12 semi-sprung floor

£48.97 each
