

## INDOOR WOODEN CLIMBING FRAME

No tools are required to assemble this frame, it's manufactured in two halves and slots together in no time at all. Supplied with 2 sturdy platforms with a textured laminate cover for durability and grip, 1 slide, 1 ladder and 1 ramp. Uprights, slide, ramp and ladder are manufactured from child friendly lacquered beech. Suitable for ages 3-5 years. Frame is manufactured to conform with BS EN 913

Optional mats are manufactured from blue PVC and hoop and loop together to surround the frame

Frame takes up a total area of 3.83m x 1.66m when in use and only 1m x 0.2m when stored

FRM/001/STD Complete frame £799.00 set  
FRM/002/MAT Surround mats £395.00 set
